**Class pricing:** Burg & Residential Fire and Video Surveillance/Access classes including licensing test are \$275 for members, \$375 for nonmembers. Commercial Fire course and test is \$575 for member and \$675 for nonmember. Each class offers lunch. **Retests are \$40 and if a technician needs to be rescheduled in a class, there is a \$100 fee to reschedule if 7 days' notice is not given.**

**NOTE: No technician can take a course unless they have registered and paid for the course.** Those showing up at a test site without following this process will be refused. Materials and meals are ordered well in advance and do not allow us to deviate from this system. Thank you.
