Exam Retest and Reschedule

The course exams are monitored by a third-party proctor service. Students are given one retest at no charge. If a third retest is required there will be a \$50 fee (effective August 1, 2020) and must be paid before the student can retest. There is a \$100 fee to reschedule a student if 7 days' notice is not given.

NOTE: No technician can take a course unless they have registered and paid for the course. Those showing up at a test site without following this process will be refused. Materials and meals are ordered well in advance for in-person classroom training and do not allow us to deviate from this system.

All virtual classes are held via Zoom webinar and food is not included.
